- To be socially committed through outreach programme
- To improve constantly the academic progression of our students.

Our Motto

- For Truth and Service

THE COLLEGE: A BRIEF HISTORY

St. Albert's College is an Autonomous Institution situated at the heart of the city of Kochi, affiliated to the Mahatma Gandhi University, Kottayam and is functioning under the management of the Archdiocese of Verapoly. The seeds of this portal of higher learning had already been sown when St. Albert's High School commenced its functioning in the year 1892. On August 18, 1898 the school got the recognition of Madras University. This has been a premier centre of learning for the young male children of wider Cochin area from its very inception.

The College owes its origin to the foresight and sagacity of its Founder Patron, The Most Rev. Dr. Joseph Attipetty, the first Indian Archbishop of the Archdiocese of Verapoly. His Grace, a noble prelate of rare vision and saintliness, was of the view of promoting higher education among his flock. It was with this vision that His Grace ventured upon the onerous mission of starting a College. The laboriousness of this colossal project, however, was shared by the selfless and devoted service of the Rt. Rev. Msgr. Alexander Lenthaparambil, the then Vicar General of the Archdiocese. Also in the forefront was the Very Rev. Msgr. Joseph Vaipicherry, who took charge as the Manager of both the High School and the College and also the Secretary to the College Governing Body. The mission was accomplished in 1946 when the University of Madras upgraded St. Albert's High School, Ernakulam to a second grade College.

The College began to function on the 16 July 1946 in the old High School building with 150 students in the Intermediate Class. Degree courses were introduced in 1947. Subsequently classes were shifted to the new building just opposite to the old school building in 1951. In 1958, when the Kerala University Act came into force, the affiliation was shifted to the Kerala University. In 1983 when the Mahatma Gandhi University was established, the College became affiliated to the Mahatma Gandhi University.

Throughout its history, the College has enjoyed the vision and the benevolent services of many great men of God. The Most Rev. Dr. Joseph Kelanthara, who succeeded the Most Rev. Dr. Joseph Attipetty, and the Most Rev. Dr. Cornelius Elenjikal, who then followed, spared no pains and efforts in maintaining the noble vision of his predecessor. The contributions made by the Rt. Rev. Msgr. Emmanuel Lopez and the late Auxiliary Bishop the Rt. Rev. Dr. Antony Thannikot have helped the College in upholding the higher ideals of education. The College celebrated its Golden Jubilee in 1996-97 and there began a new era

of job oriented courses. During the time of the Most Rev. Dr. Daniel Acharuparambil, who was a visionary and philosopher, the college reached new heights in academic excellence.

In 2009, the college was awarded 'A' grade by NAAC. In 2016 NAAC reaccredited the College at 'A' grade for the 2nd time, was achieved during the time of Most Rev. Dr. Francis Kallarackal, the former patron. In 2016 March University Grants Commission granted Autonomous status to the College. In 2017, the college was recertified for ISO 9001: 2015 by TUV Rheinland. The College has also been selected under FIST scheme of DST and Star college programme of DBT. Today, with 30 Under Graduate courses, 15 Post Graduate courses including Master's Programmes in Space Science and Technology, Business Administration, Social Work, one Integrated Postgraduate Programme in Statistics and 11 Research Centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education. Under the benevolent patronage of the Most Rev. Dr. Joseph Kalathiparambil, Metropolitan Archbishop of Verapoly, the College is marching ahead to higher echelons in the field of higher education.

OUR COAT OF ARMS

Our Coat of Arms is in the form of a heraldic shield divided into four parts by a cross. The left side of the upper half has an open book and a flaming torch. The book signifies the light of truth derived from knowledge. The trumpeting angel on the right side of the upper half symbolizes selfless services like those of a ministering angel. The left side of the lower half has a boat with its sail full blown, moving forward. This represents the launching into the ocean of life, well equipped with knowledge and truth. The coconut palms on the right side of the lower half stand for the motherland that seeks care and affection. The blue and red background of the shield represents the College colours which signify hope and sacrifice. Our motto "FOR TRUTH AND SERVICE" can be seen at the bottom.

Our Coat of Arms clearly reflects the moral, material and spiritual objectives cherished by the founder of this College. It exhorts the students to equip their minds with knowledge, to tread steadily along the paths of life, guided by the light of truth, love and service to achieve success in life, and, above all, to be prepared to make any sacrifice that is required of them for a noble and worthy cause.

It is the sacred duty of every Albertian to follow the noble ideals that the Alma Mater has set for him/her to emulate and exemplify in his/her life.

SAVE for Social Welfare

SAVE is one of the initiatives of the centre through which the college encourages students to go beyond curriculum. The value of education is now a day measured in terms of the students' impact society. Hence knowledge about the society where the student is also a member is important. This programme aims at making the students committed to the cause of social welfare. The major objectives of this programme are to develop social commitment and civic responsibility for arousing social consciousness, to develop a sense of ethical responsibility and empowering youth, to develop overall personality through empathy, non possessive warmth and genuineness through collective cooperation.

The Albertian Centre for E-learning offers the ability to share material in all kinds of formats such as videos, slideshows, word documents, and PDFs. Conducting webinars (live online classes) and communicating with professors via chat and message forums is also an option available to users. There is a plethora of different e-learning systems (otherwise known as Learning Management Systems, or LMSs for short) and methods, which allow for courses to be delivered. With the right tool, various processes can be automated such as a course with set materials and automatically marked tests. The Albertian Centre for E-learning makes E-learning is an affordable (and often free) solution which provides the learners with the ability to fit learning around their lifestyles, effectively allowing even the busiest person to further a career and gain new qualifications.

COLLEGE RULES & REGULATIONS

Students are hereby instructed to strictly follow the rules and regulations of the College. One is not expected to plead that one is not aware of the existence of such rules. Ignorance of rules is no excuse. Students are expected to read the notice board on a day to day basis. It is the duty of every student to abide by the rules and regulations of the college and conduct himself/herself with decency and decorum. Violation of the rules will result in disciplinary action against the offenders and imposition of punishment including dismissal.

A. Identity Cards

8. All students admitted to the college shall compulsorily wear their Identity Cards whenever they are present in the college campus and produce it on demand by the authorities or persons authorised to do that.

UNDERGRADUATE PROGRAMS

Choice Based Credit and Semester System (CBCSS)

In 2009, Mahatma Gandhi University restructured the undergraduate programmes and introduced Choice Based Credit and Semester System (CBCSS). The undergraduate programme is for three academic years which is divided into six semesters. First, third and fifth semesters are from June to October and second, fourth and sixth semesters are from November to March. End-semester examinations are conducted during November and March. April and May are summer holidays. The undergraduate programmes are of the following categories, Model I, Model II, and Model III, depending on the type of courses offered. Model II and III programmes give emphasis on job-oriented courses. B.Sc. Industrial Chemistry, Aquaculture, and Industrial Fish and Fisheries come under Model II programme.

Each programme has four types of courses, namely.

- (a) Common courses I & II,
- (b) Core courses,
- (c) Complementary Courses and
- (d) Open Course.

The **common courses** include English language and other languages (second languages) either Hindi or Malayalam. **Core and complementary** courses vary for different programmes. **Open courses** are courses offered by a particular department for students of other disciplines. The open courses are taught in the fifth semester, and the student has the choice for selecting the open course. Every student has to complete a **project** which will be evaluated during the end-semester examination of fifth/ sixth semester. For each course there will be well-defined syllabus and detailed scheme, which will be available in the M. G. University website, www.mgu.ac.in

The evaluation of each course shall contain two parts:

- I) Internal or In-Semester Assessment (ISA)
- II) External or End-Semester Assessment (ESA)

The external examination of all semesters shall be conducted at the end of each semester. Internal evaluation is to be done by the continuous assessment.

Internal or In-Semester Assessment (ISA)

The internal to external assessment ratio shall be 1:4, for both courses with or without practical. Components for internal evaluation with their marks are shown below:

A) For all courses without practical

- a) Marks of external Examination : 80
- b) Marks of internal evaluation : 20

Components of Internal Evaluation	MARKS
Attendance	5
Assignment /Seminar/Viva	5
Test papers (2x5=10)	10
Total	20

All the three components of the internal assessment are mandatory. For common course English, internal oral examination shall be conducted instead of test paper, in Semester I.

B) For all courses with practical

- a) Marks of theory –External Examination : 60
- b) Marks of theory –Internal Evaluation : 15
- c) Marks of Practical –External Examination : 40
(only in even semesters)
- d) Marks of Practical- Internal Evaluation : 10

(odd and even semesters combined annually)

Components of Theory – Internal Evaluation	Marks	Components of Practical-Internal evaluation	Marks
Attendance	5	Attendance	2
Assignment/ Seminar/Viva	2	Test paper (1x4)	4
Test papers (2x4)	8	Record	4
Total	15	Total	10

Project evaluation

- a) Marks of external Examination : 80
 b) Marks of internal evaluation : 20

Components of Project-Evaluation	Marks
Dissertation (External)	50
Viva-Voce (External)	30
Total	80

Components of internal Evaluation of Project	Marks
Punctuality	5
Experimentation/data collection	5
Knowledge	5
Report	5
Total	20

Attendance Evaluation for all papers

% of attendance	Marks
90 and above	5
85 - 89	4
80 - 84	3
76 - 79	2
75	1

A candidate shall attend at least a **minimum of 75%** of the number of classes actually held for each of the courses in each semester to be eligible for appearing for the examination in that course. If the candidate has shortage of attendance in any course in a semester the student shall not be allowed to appear for any examination in that semester. However, the Controller of Examinations of the College may condone shortage to some extent if the candidate applies for it, as laid down in University regulations.

Students can register for end semester examination only if they pass in the internal examination.

External or End-Semester Assessment (ESA) Pattern of Questions:

Pattern of questions for external examination for theory paper without practical.

Pattern	Total no. of questions	Number of questions to be answered	Marks of each question	Total marks
Short Answer/ problem type	12	10	2	20
Short essay/ problem	9	6	5	30
Essay/problem	4	2	15	30
	25	18		80

Pattern of questions for external examination for theory papers with practical

Pattern	Total no. of questions	Number of questions to be answered	Marks of each question	Total marks
Short Answer/ problem type	12	10	1	10
Short essay/ problem	9	6	5	30
Essay/problem	4	2	10	20
Total	25	18		60

All papers (theory & practical), grades are given on a 7-point scale based on the total

percentage of marks, (ISA+ESA) as given below:-

Percentage of Marks	Grade	Grade Point
95 and above	S Outstanding	10
85 to below 95	A+ - Excellent	9
75 to below 85	A - Very Good	8
65 to below 75	B+ - Good	7
55 to below 65	B- above Average	6

45 to below 55	C - Satisfactory	5
35 to below 45	D-Pass	4
Below 35	F - Failure	0
	Ab- absent	0

Note: A separate minimum of 30% marks each for internal and external (for both theory and practical) and aggregate minimum of 35% are required for a pass for a course. For a pass in a programme, a separate minimum of Grade **D** is required for all the individual courses. If a candidate secures **F** Grade for any one of the courses offered in a Semester/Programme only **F** grade will be awarded for that Semester/Programme until he/she improves this to **D** grade or above within the permitted period. Candidate who secures **D** grade and above will be eligible for higher studies.

For all courses (theory & practical), grades are given on a 07-point scale based on the total percentage of marks. **(ISA+ESA)** as given below

GPA	GRADE
9.5 and above	S Outstanding
8.5 to below 9.5	A+ Excellent
7.5 to below 8.5	A Very Good
6.5 to below 7.5	B+ Good
5.5 to below 6.5	B Above Average
4.5 to below 5.5	C Satisfactory
3.5 to below 4.5	D Pass
Below 3.5	F Failure

For B. Voc. Courses

percentage of marks, **(ISA+ESA)** as given below:-

Percentage of Marks	Grade	Grade Point
90 and above	A+ - Outstanding	10
80 to 89	A - Excellent	9
70 to 79	B - Very Good	8
60 to 69	C - Good	7
50 to 59	D - Satisfactory	6
40 to 49	E - Adequate	5
below 40	F - Failure	4

Note: A separate minimum of 30% marks each for internal and external (for both theory and practical) and aggregate minimum of 40% are required for a pass for a course. For a pass in a programme, a separate minimum of Grade **E** is required for all the individual courses. If a candidate secures **F** Grade for any one of the courses offered in a Semester/Programme only **F** grade will be awarded for that Semester/Programme until he/she improves this to **E** grade or above within the permitted period. Candidate who secures **E** grade and above will be eligible for higher studies.

For all courses (theory & practical), grades are given on a 07-point scale based on the total percentage of marks. **(ISA+ESA)** as given below

GPA	GRADE
Above 9	A+ Outstanding
Above 8, but below or equal to 9	A Excellent
Above 7, but below or equal to 8	B Very Good
Above 6, but below or equal to 7	C Good
Above 5, but below or equal to 6	D Satisfactory
Above 4, but below or equal to 5	E Adequate
4 or below	F Failure

POSTGRADUATE PROGRAMMES

Credit Semester System-PG (CSS-PG)

Mahatma Gandhi University has introduced Credit Semester System (CSS) for postgraduate programmes from 2012-2013 academic year onwards. The duration of the programme is two years, which is divided into **four semesters**.

The programme consists of,

- Core Course
- Elective Course
- Project Comprehensive
- Viva voce

Core Course- a compulsory course in a subject related to a particular programme.

Elective Course- an optional course, which can be selected from

among a group of electives in a programme.

Project - a PG student undergo a project under the supervision of a teacher in the parent department/any appropriate research centre in order to submit a dissertation on the project work as specified.

Comprehensive Viva voce shall be conducted at the end of the IV semester of the programme and covers questions from all courses in the programme.

The evaluation of each course shall contain two parts:

- I) Internal or In-Semester Assessment (ISA)
- II) External or End-Semester Assessment (ESA)

The external examination of all semesters shall be conducted by the University at the end of each semester. For the students coming under onomous system, the end semester examination is conducted by the college. Internal evaluation is to be done by continuous assessment. Internal to external assessment ratio shall be 1:3. Both internal and external evaluations are carried out using direct grading system.

Internal or In-Semester Assessment (ISA)

Components of internal evaluation for a course include:

Components of Theory – Internal Evaluation	Components of Practical- Internal evaluation
Attendance	Attendance
Assignment	Lab involvement
Seminar	Record
Test paper I	Written/lab test
Test paper II	viva-voce

Weightage given for each component of internal varies according to programme.

Attendance

% of attendance	Weightage
90 and above	A
Between 85 and 90	B
Between 80 and 85	C
Between 75 and 80	D

Below 75	E
----------	---

The minimum requirement of aggregate attendance during a semester for appearing the end semester examination shall be 75%. Condonation of shortage of attendance to a maximum of 10 days in a semester subject to a maximum of two times during the whole period of postgraduate program may be granted by the University. In the case of students coming under Autonomous system, condonation is done by the Controller of Examinations of the College.

External or End-Semester Assessment (ESA)

Theory examinations are conducted at the end of each semester. The practical examinations are conducted at the end of each semester / year depending on the programme.

Pattern of Questions

Sections	Type of Question	Weightage
A	Short answer type (not exceeding 1 page)	1
B	Short essay/Problem solving type (Not exceeding 2 pages)	2
C	Long essay type	5

Number of questions in each sections vary according to the programme.

Direct Grading System based on a **5-point** scale is used to evaluate the performance of External and Internal Examination of the students. The overall grade for a programme for certification shall be based on CGPA with a **7-point** scale. A separate minimum of **C grade** is required for a pass for both internal evaluation and external evaluation for every course.

Students can register for end semester examination only if they pass in the internal examination.

Grievances regarding internal evaluation

There is provision for grievance redressal regarding internal evaluation which operates at four levels. Complaints regarding the internal evaluation shall be brought to the notice of the teacher concerned in the first instance. If the student is not satisfied with the decision of the teacher concerned, he may appeal to the **Departmental Grievance Redressal Committee** which shall have the head of the department,

the teacher-in-charge for the particular class and the teacher against whom the complaint is made, as members. The student will also have the freedom to make further appeal to the **College Level Grievance Redressal Committee** which shall have the Principal, the Coordinator and the concerned head of the department, as members. If the student is not satisfied, he may appeal to the **University Level Grievance Redressal Committee** which consists of Pro-Vice Chancellor, Affiliation Committee Convener and the Controller of Examinations.

Any complaint regarding the internal evaluation shall be made at the earliest opportunity, preferably within two days of awarding grades. Complaints regarding scrutiny can also be placed.

Reappearance for internal evaluation

- a. Candidates who fail to get D grade in internal evaluation will be given chances for redoing. In such cases they have to redo test papers, assignments, seminars before the commencement of the next examination. Additional assignments may be given to candidates instead of seminar, at the discretion HoD /Principal.
- b. Redoing of internal evaluation as directed in clause 'a' above shall be done as directions of HoD /Principal.
- c. If pass minimum grades were obtained earlier for test papers, that grade shall be carried over while redoing the internal assessment.
- d. The grades obtained after redoing (if passed) shall be carried over for those candidates who reappear for the external examination.

Revaluation of answer books

Candidates who wish to revalue their answer books of external examination should apply to the Controller of examinations with the necessary amount of fees within three weeks of the publication of results of the concerned examination. Students under autonomous scheme shall apply within fifteen days after the publication of the results Application form can be had from the college website.

Scrutiny of answer books

For scrutiny of answer book a candidate should apply to the Controller of Examinations in the prescribed form with necessary amount of fees within thirty days of publication of result. Students under autonomous scheme shall apply within ten days after the publication of the results. Applications received after the last date will not be considered under

any circumstances.

Provisional Degree Certificate

A student can apply for provisional degree certificate after remitting the required amount of fees.

Degree Certificate

A student can apply for degree certificate after remitting the required amount of fees. Candidates, who are in urgent need of the degree certificate, can obtain the same within 10 days by paying a special fee in addition to the fee for degree certificate, under 'fast track', after awarding of the degrees.

Terminology of expressions used

Credit: A unit of academic input measured in terms of weekly contact hours assigned to a course.

Grade: A letter symbol (**A, B, C..**) which indicates the broad level of performance of a student in an answer/course/semester/program.

Grade Point(G): An integer indicating the numerical equivalent of the letter grade.

Course: A complete unit of learning which will be taught and evaluated in a semester.

Weight: A numerical measure (W) quantifying the comparative range of an answer or the comparative importance assigned to different components like theory and practical, internal and external examinations, core and complementary subjects etc.

Grade Point Average (GPA) : An index of the performance of a student in a course. It is obtained by dividing the sum of the weighted grade point obtained in the course by the sum of the weights of Course.

Grace Grade Points : Grade points awarded to course/s, as per the choice of the student, in recognition of meritorious achievements in NCC/ NSS/Sports/Arts and Cultural activities.

Credit Point : Value obtained by multiplying the grade point (G) by the Credit (C).

Credit point (P) = $G \times C$

Semester Grade Point Average (SGPA) : It is the value obtained by dividing the sum of credit points (P) obtained by a student in the various courses taken in a semester by the total number of credits taken by him/her in that semester. The grade points shall be rounded off to two decimal places. SGPA determines the overall performance of a student at the end of a semester.

Cumulative Grade Point Average (CGPA) : It is the value obtained by dividing the sum of credit points in all the course taken by the student for the entire program by the total number of credits and shall be rounded off to two decimal places.

Programme : Is the entire course of study and Examinations.

CREDIT POINT AND CREDIT POINT AVERAGE. Credit Point (CP) of a course is calculated using the formula

CP = C x GP, where C = Credit; GP = Grade point

Credit Point Average (CPA) of a Semester/Programme is calculated using the formula

CPA = TCP/TC, where TCP = Total Credit Point; TC = Total Credit

EXAMINATION FEES

Examination fees will be collected as notified by the Controller of Examinations of the College as the case may be.

College Union

The College Union will be formed in accordance with the provisions in “The Constitution for the College Union” approved by the Governing Council and will function under the general guidance of the Principal and the Dean of Student Affairs. Parliamentary system will be used for the selection of members to the union.

The College Union is elected every year, to train students in duties and responsibilities of citizenship and to promote opportunities for the development of character, leadership and to promote a spirit of service. The members of the College Union will assist the authorities of the College in conducting extracurricular activities as well as in the functioning of the various clubs of the College.

The College Union consists of the secretaries of the different associations and two representatives from each class. Of the two representatives, one will be nominated on the basis of merit and the second elected from the class by vote. The Executive of the College Union is elected from these representatives and the executive takes leadership for the various activities of the student union. Dean of Student Affairs oversees the activities of the College Union.

St. Albert’s College Alumni Association

The College has an Alumni Association patronised by the Archbishop of Verapoly. It aims at fostering and perpetuating friendship, fraternity and cooperation among the alumni and promoting their interest in social, literary and cultural activities, sports and games. Any former student of the College can obtain ordinary membership of the Association on payment of an annual subscription of Rs. 100/- and life membership on a (lump sum) payment of Rs. 250/-. The annual meeting of the Association is held on the Old Students’ Day, ie., the 26th of January. All outgoing Albertans are earnestly exhorted to enrol themselves as members of this Association. Scholarships for curricular and extra-curricular excellence are also instituted by the Association. Email: alumni@alberts.ac.in

NATIONAL CADET CORPS (NCC)-

Motto: Unity and Discipline

The National Cadet Corps gives opportunities for military training and social service to the students without imposing on them for any active military service. St. Albert's College (Autonomous) have all the three NCC wings (Army, Navy and Airforce)

The aims of NCC are

- ❖ To develop character, comradeship, discipline leadership, secular outlook, spirit of adventure, sportsmanship and the ideals of self-less service amongst the youth of the country.
- ❖ To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life and always available for the service of nation.
- ❖ To provide suitable environment to motivate the youth to take up a career in the Armed Forces.

NATIONAL SERVICE SCHEME- AIM & OBJECTIVES

Started in 1969-70 with a view of promoting social consciousness and a sense of responsibility as well as sense of discipline and dignity of labour among students, the National Service Scheme utilises the leisure time of students for two years of their college studies in various items of social service which not only helps the community but also provides an opportunity to the students to appreciate the conditions prevalent in the community. The ultimate aim of the scheme is **“to develop the personality of students through community service”**. Activities are undertaken with special emphasis on the local needs and priorities. Special camping programmes organised by the NSS during vacations have resulted in the creation of many durable community assets. When sufficiently integrated, the NSS has helped to make the academic programmes more relevant and linked with community and national goals and social and economic processes.

The main objectives are :

- ❖ To work with/among people
- ❖ To engage in creative and constructive social activities.
- ❖ To enhance his/her knowledge of himself/herself and the community
- ❖ To put his/her scholarship to practical views in mitigating at least some of the problems.
- ❖ To gain skills in programme development to enable him/her for self employment.
- ❖ To bridge the gulf between the educated and the uneducated masses.
- ❖ To promote the will to serve the weaker section of the community

Best Albertian Student Award & Best Student Award

This is a competition aimed at selecting a final year student as the best outgoing student/Albertian Star. There will be five levels to this

competition and the focus will be on selecting a student, who excels not only in academics but holistically, someone who possesses those life skills that would help him/her handle challenges in life.

Any final year (UG & PG) Albertian who has no back papers, has above 90% of attendance, is an active participant of the curricular, co-curricular and extra-curricular activities in and outside the college and has had no disciplinary action initiated against him/her can apply for the contest.

There will be five levels to this competition. At Level 1, eligible candidates can apply online by filling in the relevant details given. After the applications are verified and validated, a list of all possible candidates for the contest would be published on the notice board. These students would be called **STAR COMPETITION NOMINEES**

At Level II, a 30 question long MCQ (Current Affairs, Basic Science & Math, History, English, Logical Reasoning) would be administered to the candidates. At the end of level II, four students from each course (2 in PG and 2 in UG) would be selected to the next level. In case of a tie, the candidate who has the higher score in extra-curricular activities would be selected. These students would be called the **GEMS** of the Course.

Level III would have a power point presentation (PPT) round before an expert panel on a given topic. At the end of Level III, 2 students from each course (1 UG and 1 PG) would be selected. They would be declared as the outstanding students of the Course and would be called the **LUMINARY** of the Course.

Level IV would see a group discussion round wherein students would be assessed on various parameters. The end result would be 10 students who move into the final round. These 10 students would be called the **STARLETS** of St Albert's College.

The final round would be a presentation round before an external peer team who would interact with the students asking them questions on general issues and also based on their presentation. The winner would be declared as the **ALBERTIAN STAR**. The First and the Second Runners Up would also be selected.
