

OPEN HOUSE FOR I M Sc MATHEMATICS

Faculty coordinator: Prof. Golda Mary Joseph

The Open house was conducted through the online platform of Google Meet on 2nd January 2021 at 07:00 PM due to the prevailing Covid pandemic situation. The meeting

started with a silent prayer, which was followed by a welcome address by Smt. Golda Mary Joseph. She gave a brief description about the agenda of the meeting. Then the HOD, Dr. Sabu M C addressed the gathering and informed the general guidelines from the government and UGC for resuming offline classes. Each student along with his/her

parents were asked to express their concerns regarding the resumption of offline class. Parents had the opportunity to discuss their ward's situation and give their suggestions to conduct the offline class. The suggestions given were duly noted. Most of the students showed their willingness to come to college for the offline class. Some parents pointed out the lack of transportation facilities. The meeting wined up at around 8.00 pm.

OPEN HOUSE FOR II M Sc MATHEMATICS

Faculty coordinator: Prof. Jeema Jose

A PTA meeting of II MSc Mathematics was conducted on 03-01-2021 at 4 pm. Meeting started with a silent prayer. Ms. Jeema Jose, Tutor of II MSc Mathematics welcomed the teachers , parents and students to the meeting. Also she informed the parents that the offline classes of II MSc Mathematics students will start on 04-01-2021 as per the government order and invited Dr Sabu MC to give necessary instructions. He mentioned the need to interact with the teachers as they have to do project work. Most

of the parents agreed to that. He told those who could and could not come to the offline class to reply in the chat box. He also asked those who said they could not come to the offline class why. Also, Sabu Sir explained the things to look out for when coming to an offline class. Parents were then given the opportunity to express their views and suggestions. Many parents shared their concerns. All they shared was that travel facilities are low, buses are crowded, buses are low, and immunity is low. Meeting came to an end by 4.45 pm.

OPEN HOUSE FOR III B Sc MATHEMATICS

Faculty coordinator: Prof. Divya Mary Daise S

A virtual open open house for III B Sc Mathematics was conducted through the online

platform of Google Meet on 17th January 2021 at 05:00 PM to discuss the commencement of offline classes during this Covid pandemic situation, as per the government order. The meeting started with a silent prayer, which was followed by a welcome address by Smt. Divya Mary Daise S.

Following the welcome address she briefed about the agenda of the meeting. Dr. Sabu M C, HOD then addressed the gathering and described the general guidelines to be followed while attending the offline classes. An interactive session followed, in which the students and parents were asked to express their concerns regarding the restarting of offline class. Most of the students showed their willingness to come to college for the offline class. Some parents pointed out the lack of transportation facilities and those who are from other districts shared their concerns about the increasing number of cases in Ernakulam district. The meeting came to an end by 5.45 pm.

EXPERT TALK - an Interaction with Sri.Gokul S (All India 804th rank in Civil Service Examination, 2019)

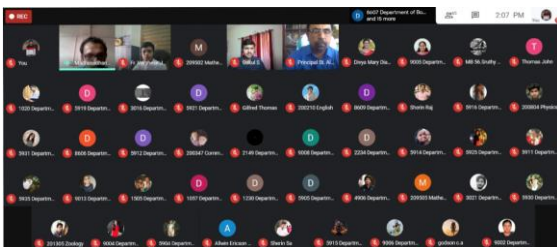

Faculty coordinator: Prof. Divya Mary Daise S

Student coordinators: Lifin Antony, Nygil Jerome Nidhin

The Internal Committee for Students with disability in association with Civil Service Grooming Programme (CSGP) and Department Of Mathematics, St Albert's College (Autonomous), Ernakulam organised an interaction session with Gokul S (All India 804th rank in Civil Service Examination, 2019) on 19/01/2021. The program was coordinated by Smt. Divya Mary Daise S, Assistant Professor in Mathematics, St Albert's College (Autonomous), Ernakulam).

The meeting started with a small prayer by Maria Moureen (I M Sc Mathematics). It was then followed by a Welcome Address by Dr. K Madhushoodhanan (Convener, Internal Committee for students with disabilities). The Presidential address was delivered by Fr. John Christopher Vadassery (Vice Principal & Co-ordinator of CSGP, St Albert's College (Autonomous), Ernakulam). It was followed by the Principal's address by Dr.Nelson Rodrigues (Principal,St Albert's College (Autonomous), Ernakulam). A small history about the speaker was delivered by Sreelaskmi U Nair (I M Sc Mathematics). The speaker gave a brief introduction about himself and started over the session. He shared his experience

and the difficulties he faced during his preparation. The turns were given to the audience to ask questions. It was moreover like an interactive session in which the CSGP students sought the guidance of the resource person about the preparations to be made by civil service aspirants and about pursuing a career as a civil servant. About 81 students attended the session. The meeting ended with a vote of thanks by Prince S P (III B Sc Physics).

OPEN HOUSE FOR I B Sc MATHEMATICS

Faculty coordinator: Prof. Andria Tojo

First PTA meeting of I B Sc mathematics was conducted on 23rd January, 2021. The meeting started at 9 am, at Papali hall, with a silent prayer. Dr.Sabu M C, HOD, Department of Mathematics St. Albert's College (Autonomous), Ernakulam delivered the welcome address. Presidential speech was given by Dr.Rosalind Gonzaga, Vice Principal, St. Albert's College (Autonomous), Ernakulam. In her speech she asked all parents to motivate students for their all round development.

Following this Dr. Sabu M.C. interacted with the parents. During the meeting parents and students pointed out the difficulty in understanding some classes. Students were asked to buy textbooks of English and second language. Most of the students showed interest in offline classes. And it was decided, if possible, that first year students may be asked to come to college for offline classes on Thursdays. Parents shared their concerns about practical classes and exams. They were informed that students will be made to come to college for practical classes. Parents were also asked to make sure that students are listening to classes and giving responses to teachers during online class.

Ms. Andria Tojo, Assistant Professor of Mathematics and Ms. Anagha, Assistant Professor of Statistics introduced themselves to the parents and students. Internal marks of Physics and English were given to students after the meeting. Meeting ended at 10.30 am.

Board of Studies Meeting

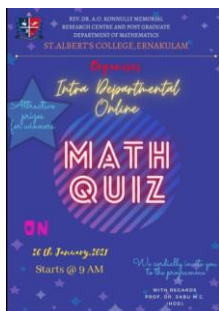

The second BoS meeting of the Department of Mathematics for the year 2020-21 was conducted on 23/01/2021 at 12.30 pm. Dr. Sasi Gopalan, Professor, Dept. of Mathematics,

CUSAT; Dr. Shery Fernandez, Associate Professor, Dept. of Mathematics, CUSAT; Dr. Joseph Justin Rebello, Associate Professor of Statistics, Aquinas College, Edakochi and all 6 faculty members of the department attended the meeting. The board sanctioned the syllabi of the two new programs “Integrated M Sc in Basic Sciences - Statistics” and “Diploma in Data Visualisation and Infographics”.

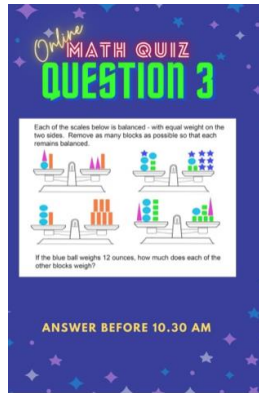

Online Math Quiz

Faculty coordinators: Ms. Andria Tojo, Ms. Ritty Jacob

On 26th January, the Department of Mathematics organized an online math quiz competition for all the six classes of the Department of Mathematics, St. Albert's College (Autonomous), from 9 am to 3 pm. 12 questions of first year, second year and students, first year and second and first year integrated of 30 minutes. Points were given posting the correct answer first. very good participation from all department. After the 3 pm, Nandana V.R. of first BSc Mathematics who gave five correct answers first was chosen as the topper.

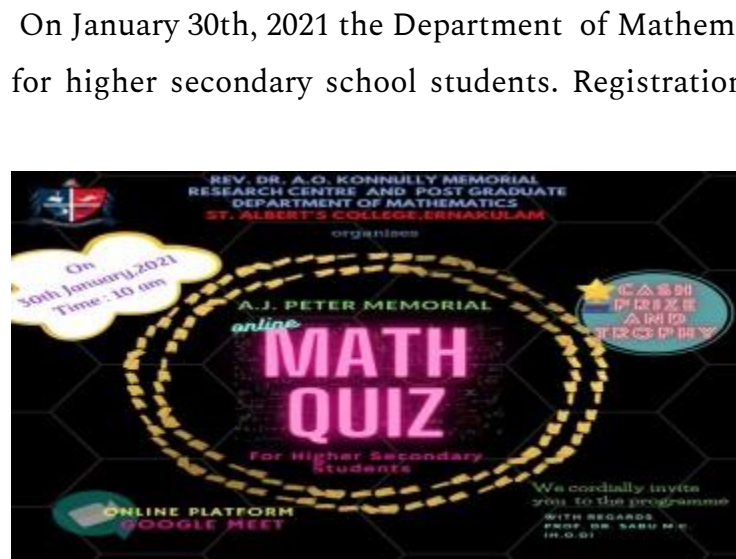

Ernakulam. Quiz was conducted were posted in whatsapp groups third year BSc Mathematics year PG Mathematics students statistics students, in an interval to students There was a students of the competition at

Prof. A. J. Peter Memorial Online Math Quiz

Faculty Coordinators: Prof. Ritty Jacob, Prof. Andria Tojo

On January 30th, 2021 the Department of Mathematics conducted an online Math Quiz for higher secondary school students across Kerala. Registration was open for all higher secondary school students across Kerala. Applications were received online. A total of eleven students registered for the competition. At 10 am all registered students were invited to join a google meet. Program started with a silent prayer. Prof. Jeema Jose delivered the welcome address. Dr. Sabu M

C H.O.D of the Mathematics Department addressed the meeting and gave a small information about Prof. A J Peter, former H.O.D of Mathematics Department.

Basic rules were given to all students by Prof. Ritty Jacob. A preliminary round was conducted through google forms and from that five toppers were selected. Final part was conducted in four rounds. Prof. Andria Tojo guided students with questions that were presented on screen.

First round, 'Lets Do It' had ten questions- two questions for each student, and the round had descriptive problems. Students were given three minutes to answer each question.

Second round, 'Find It Out' had ten questions-two questions for each student. This round had logic questions. Students were given 1 minute to answer each question.

Third round had five general questions- one question for each student and was given only 50 seconds to

answer each question.

Fourth round, 'Identify' had ten questions- two questions for each student. They were given only 25 seconds to answer each question.

After all rounds, Sairam K, student of St. Aloysius HSS Kollam, won the first place with 25 points. Second place was shared between Ananthunath Krishnan, Teslin Benny (St. Mary's HSS Vallarpadam) and Joel Antony (St. Sebastians HSS Palluruthy). All winners were asked to come to St. Albert's college to collect their prizes.

Prof. Andria Tojo delivered the vote of thanks.
